Comprehensive YYA Plan identifies

- Priority investments to be made as soon as possible after the plan's endorsement by the CEH and implemented over the following 18 months
- The expected impact as a result of those investments
- Our end impact goal in 2020 – how we define “ending homelessness among YYA”
- Annual system-wide benchmarks to determine if we are making progress
- Timeline to analyze progress, update the plan, deliver accountability reports, and refine the investment recommendations in light of new data.

Final Decision-making
